## Letter of Recommendation and Proof of Employment for Andrew Wilson

To Whom It May Concern:

Andrew Wilson has been a long-standing employee at Doc B's Restaurant and Bar for approximately 2.5 years. As the General Manager, I have seen many examples of hard work, dedication and undoubtable talent of helping others and himself. Andrews diligence and work ethic are why he has kept long-standing employment here, but I am more recently impressed by his ability to build his business platforms that operate digitally and by A.I. These business platforms have not only garnered him the right to further his ability to build on this passion but it has both been admired and respected by his teammates at Doc B's.

To conclude, I would like to restate my strong recommendation for Andrew Wilson. If you have any further questions regarding Andrew's ability or this recommendation, please do not hesitate to contact me using the information on this letterhead.

Sincerely,

A handwritten signature in black ink, appearing to read "John Kuebrich", written over a horizontal line.
